

A GIVING COMMUNITY

Nancy Affinito and her husband Mario came to OLA 20 years ago. They enjoyed going to 9:30 Mass. One day they were at a reception in the gym and couldn't move because it was so crowded. Mario turned to Nancy and said "OLA needs a new Hall..." Mario passed away in 2015, but Nancy remembered his wishes. Nancy has pledged \$1.5 Million to the campaign, the most generous pledge ever given to any parish campaign in the Diocese of Sacramento. Nancy says, "The Parish needs a Hall. It will bring a lot of happiness to a lot of people." Thank you, Nancy!

The Lucchetti Family

came to OLA 8 years ago and have made a very generous donation to the campaign. "It is up to each of us to help sustain our Catholic schools and Parishes. We simply want future families to be able to enjoy this great community like we have!"

"Great communities like OLA deserve a Parish Hall where kids can play and friends can meet. I was privileged to grow up in OLA Parish and want families in the future to have the same great experience the McGinness family enjoyed!"

John McGinness
Retired Sheriff

"OLA is blessed with a wonderful facility. However we must periodically invest in it to remain current and vibrant. I urge my fellow parishioners to contribute what you can to realize the dream of our new multi-purpose facility."

Juan C. Yñiguez
President
Pastoral Council

Marylee and Jerry Johnson have been active parishioners at OLA since 1972. Marylee is currently the President of St. Vincent de Paul. "It will be wonderful to have a beautiful Parish Hall to adequately accommodate all of our activities; Sacraments, dinners, weddings, funeral receptions, and school events. What a blessing!"

"My husband and I have been parishioners of Our Lady of the Assumption since 2005. It is a vibrant, welcoming, and faith-filled community. The icing on the cake for me is that I have been teaching eighth grade at OLA for ten years, and two of our granddaughters attend OLA. We look forward to seeing the new hall built. It will be a tremendous addition to the Our Lady of the Assumption community."

Joan and Greg Smith

The Brothers Family came to OLA 18 years ago, and look forward to seeing their fourth child graduate in 2019. Kelly and Augusta are chairing the campaign. "This is a true Parish asset. It will also help ensure the long-term viability of the school, which is the most effective pipeline to bring new families into the Parish. Please help ensure the survival of OLA for the next 50 years!"
