16TH SUNDAY IN ORDINARY TIME

The Lord said to her in reply, "Martha, Martha, you are anxious and worried about many things. There is need of only one thing. Mary has chosen the better part and it will not be taken from her." - Lk 10:41-42

OUR MISSION STATEMENT

The Mission of the parish community at Our Lady of the Assumption Church is to proclaim the Word of God more fully, to gain a more intimate knowledge of God through our Catholic traditions, and to serve the people of God, especially in our efforts to meet the needs of the poor in our community, and when possible around the world. We strive to build a sense of community among our parishioners, with the entire family of God.

GOSPEL MEDITATION

July 17, 2022

16th Sunday in Ordinary Time

“Our families need to ask for the gift of the Spirit! Through prayer, even in the busiest times, we give time back to God, we find the peace that comes from appreciating the important things, and we encounter the joy of God’s unexpected gifts. Through daily prayer may our homes become, like the house of Martha and Mary, places where Jesus always finds a warm welcome (Pope Francis).” While it is necessary to attend to the details of hospitality, learning how to be present to people, experiences, and God is sometimes more important. Creating homes that are welcoming environments requires not only organization and structure but members who truly enjoy being there and celebrating life with one another.

Details can often get the best of us. While attending to details is important to success, our obsession with them can be problematic. Whether wanting to make a good impression, fear of failure, insecurity, or emotional immaturity, throwing ourselves into the “details” of hospitality can distract us from being present to those we want to serve. Conversely, focusing exclusively on being present without any attention to detail also sets our attempts at hospitality up for disaster! We need a balance of both. But creating a truly welcoming space in our homes and within ourselves requires still more.

We have to be empty of ourselves. Becoming a welcoming, hospitable person is not possible in someone focused on their own needs and desires. If the one we serve is the one who looks back at us in the mirror, then there is no space for anyone else. While Martha and Mary had different ideas of what it means to serve, they both had the inner space and freedom to do so. They were detached from themselves. Detachment becomes the challenge to hospitality and creating a God-centered, open-hearted space in our lives. When we impulsively act out of our personal agendas, violence, abuse, pride, greed, lust, power, control, passion, and self-aggrandizement encroach upon the space needed to be present to another human being. Not only can others not find a home in us, but even God cannot find a home in us!

STEWARDSHIP THOUGHTS

Stewardship Faith

July 17, 2022

16th Sunday in Ordinary Time

"...I am a minister in accordance with God's stewardship given to me to bring to completion for you the word of God."

Colossians 1:25

We are all called to evangelize – to convert individuals and society by the divine power of the Gospel. Our faith is more attractive to others by our actions than by our words alone. We may not be called to evangelize like St. Paul, but we should look for opportunities to share our faith through our actions and words, especially with those closest to us, like our family, friends and neighbors. Pray for the courage to live in Stewardship, joyfully expressing your faith the next time the opportunity arises.

REFLECTIONS

Weddings

Question:

This time of year, I attend a lot of weddings. Why do Catholic weddings need to take place in a church?

Answer:

Technically, there is a clause in Church law that could allow for weddings to take place outside of a church, in a suitable space under special circumstances, but it requires the rare permission of the bishop. But the meaning of marriage goes very, very deep, and the Church has a vested interest in protecting that meaning. As Catholics, we don't see a wedding as an event that needs a pleasing backdrop.

Marriage is a sacrament, both an occasion of joyful promise and symbolic solemnity. It is a spiritual event. The loving bond of marriage symbolizes the mystical union between Christ and his Church. The man and woman profess lifelong vows of fidelity, and they receive supernatural grace from God to keep their promises. Receiving the sacrament of Marriage in a church has broader symbolic meaning for the couple as well. Marriage isn't simply two people in isolation from the world around them. Marriage is the joining of families and the beginning of a new, holy mission in the life of the couple. Weddings are sacred occasions, and it's fitting that they occur in sacred spaces.

STRATEGIC PLANNING COMMITTEE

Fellow Parishioners,

Reminder: All parishioners are invited to review and comment on the 2022-2024 OLA Pastoral Plan from Monday, June 27 thru Monday, July 25. The Plan is posted on our website (olaparish.net). If you would like a hard copy of the Plan, feel free to pick one up at the parish office or in the church before or after Mass.

You may comment on the Strategic Pastoral Plan via e-mail (jcyniguez@att.net), regular U.S. mail (c/o Juan Yñiguez, 5150 Fair Oaks Boulevard, #101-114, Carmichael, CA 95608), or by calling me (916 207 9512).

The Strategic Planning Committee will meet on the week of July 25th to review all recommendations and will distribute the final 2022-24 Pastoral Plan in August. Rest assured, in the coming months thru 2024, we will review progress on the Plan and set new goals, objectives, and strategies as needed. Many thanks to the Strategic Planning Committee for their many meetings and on-going efforts to bring the plan to fruition during very trying times. In advance, many thanks also to those parishioners who review and comment on the draft.

In Christ,
Juan C. Yñiguez

From the Vocations Committee....

Did you know we are now blessed to have three special guests staying with Father Eduino in the Rectory? **Scott Whittaker** is also residing at OLA while he discerns the priesthood. Here are some introductory words from Scott.

"I was raised Lutheran. After graduating from college in 1992, I spent six months volunteering at the ecumenical community of Taizé in France. While there, Our Lord revealed Himself to me in the Eucharist; I realized that I was Catholic. Following my reception into the Church, I entered the Carmelites. In the silence, Our Lord invited me into a deeper relationship with Him in which I experienced His healing love. I felt a desire to share Jesus' love with others in a more active ministry. I left the Carmelites and returned home to Washington State where I eventually opened a massage therapy and spiritual direction practice. Our Lord blessed me with an abundant life. In the fall of 2012, however, God let me know that my current life was over and that I needed to get ready for a change. I contemplated returning to religious life, but I decided to attend graduate school. I enjoyed studying Counseling Psychology, but after three years of study it became clear that God was calling me to the priesthood. At the end of counseling sessions with my clients, I began to experience a deep desire to offer them absolution. My entire life-journey up to that point had shown me that only God can heal and that the Sacraments are His incomparable gift of healing and salvation. I knew that I would never know the full joy of life in communion with Our Lord unless I responded unreservedly to His call to the priesthood. I discovered a Benedictine community in Hawaii whose charism is healing ministry. It was a great joy to be part of their ministry and to experience the remarkable ways in which the Father heals and comforts His children. The Benedictines affirmed my call to the priesthood. Bishop Silva of Honolulu then confirmed that call. In 2021 I began my first year of seminary at St. Patrick's. It was one of the best years of my life. Being back on the mainland, I felt drawn to return to my roots on the West Coast. I also had the privilege of getting to know some amazing people in the Diocese of Sacramento. I am excited to now be applying as a candidate with the Diocese in the hope of serving God's people in Northern California. Please pray for me in this discernment and application process. If it is God's will, I hope to become part of your diocesan family."

If you see Scott, please introduce yourself and say, **"Welcome and thank you for your discernment!"** If you want to learn more about the vocation of the Priesthood, please click [here](#) for information on the Diocese of Sacramento website. Let us pray for Scott during his discernment and application process.

Let each one of us also listen to the whispers of God as he continues to guide us in our respective vocation, just as He is guiding Scott. In the words of St. John the Cross: **"To love is to be transformed into what we love. To love God is therefore to be transformed into God."**

Thank You and God Bless! - Sharon and Dcn. Paul

LIVE THE LITURGY

We become a welcoming person when we can step aside from our own needs and desires to create space for someone else. Welcoming involves a quality of listening and presence that communicates to another person that what they are sharing and who they are have importance. When we shift attention and focus from ourselves and direct it toward someone else, positive things can happen. When someone knows that their story matters, it can be life changing and life-giving. Hospitality brings forth life and celebrates relationships. Whether we are actively tending to the business of serving the needs of others or opening ourselves to listening to their story, devotion and attentiveness are friends of love. Becoming anxious and preoccupied with one's personal agenda leaves no room for the creative, nurturing and spontaneous power of God's love.
