## 18<sup>TH</sup> SUNDAY IN ORDINARY TIME

Jesus said to them, "Amen, amen, I say to you, it was not Moses who gave the bread from heaven; my Father gives you the true bread from heaven. For the bread of God is that which comes down from heaven and gives life to the world." - Jn 6:32-33

## OUR MISSION STATEMENT

The Mission of the parish community at Our Lady of the Assumption Church is to proclaim the Word of God more fully, to gain a more intimate knowledge of God through our Catholic traditions, and to serve the people of God, especially in our efforts to meet the needs of the poor in our community, and when possible around the world. We strive to build a sense of community among our parishioners, with the entire family of God.

## GOSPEL MEDITATION

August 1, 2021

18th Sunday in Ordinary Time

"You cannot see the forest for the trees" is a widely known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don't like, want, and don't want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don't move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before. We like it when the "now" time of our lives satisfy us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven.

Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, and doubtful, and overly self-concerned. We even start to grumble. God has our back. That is the essential powerful message of the living bread come down from heaven. God, who is alpha is also omega, the beginning and the end, and has everything in between in his care as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch,

•HOPE•  
•TRANSFIGURATION•

they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty.

Fr. Eduino, Pastor.**

## Stewardship Lifestyle

### 18<sup>th</sup> Sunday in Ordinary Time

*"Each day the people are to go out and gather their daily portion; thus will I test them, to see whether they follow my instructions or not." EXODUS 16:4*

When the Israelites gathered more than their daily portion of manna, the surplus became wormy and rotten. In the same way today, self-reliance, pride and ego lead to hoarding and excessive surplus of goods and money. Living a **Stewardship** lifestyle helps us discern our "wants" from our "needs". Living a grateful and generous lifestyle reminds us that God will provide all that we need and that we have plenty to share.

## SAINT VINCENT DE PAUL NEWS

### OUR FOOD LOCKER IS OPEN!

As you may have noticed from the sign on Walnut Avenue the OLA St. Vincent de Paul Food Locker has reopened on Tuesday/Thursday mornings from 10:00 to 12:00. The going was slow at first but our numbers are picking up and over 600 people were served last month alone. Your support has been greatly appreciated throughout this most trying of times. Please spread the word that the OLA Food Locker is back! A special thanks goes out to **Dylan Charamuga** who, for his Eagle Scout project, refurbished all 105 food locker shelves and to Boy Scout Troop 328 and Cub Scout Pack 225 for conducting a food drive that collected over 3000 items to replenish our inventory as we reopened. We have been very blessed!

**HELP WANTED!** Saint Vincent de Paul is in dire need of new personnel. If you would like to help in the Food Lockers operation on Tuesday from 10:00 to 12:00 or if you would rather answer the phones to assist our clients in need, please call our office phone number at 916- 481-6352 and leave a message. One of our members will return your call. As always, we thank you for your ongoing support.

## SPIRITUAL GROWTH

### QUESTION OF THE WEEK

Eighteenth Sunday in Ordinary Time

**Jesus is the Bread of Life**

Breaking Open the Word

Suggested text for faith sharing: Today's Gospel

Step One: Listen to the Word

As you hear this familiar story read to you again today, what words or phrases strike you? What image from this story lingers in your mind's eye?

Step Two: Look into Your Life

**Question for Children:** Why is Jesus compared to bread? How can his teachings be like food?

**Question for Youth:** Jesus is the bread that gives us life. How does believing in Jesus make your life different?

**Question for Adults:** How do you partake of the nourishment that Jesus provides? How often?

<https://lifelongcatechesis.osv.com>

### LIVE THE LITURGY

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.

### EVERYDAY STEWARDSHIP

#### RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Practicing Graciousness in the Desert

Looking back over my journey of parenthood, I know there were days when I traveled the extra mile for my children. I made their toast the way they like it, let them play in the park an extra ten minutes, or let them go to the movies with their friends and I finished up the chores on my own. And then, it happened: the attitude. The request for the smallest thing from one of them is met with disdain or bewilderment.

Sometimes you can be made breathless with the ingratitude of another person who takes so much and with so little shame, only to scoff at the idea that they, too, give even the smallest amount.

But if we're being honest with ourselves, we will admit that we do the exact same thing to God. Haven't we all been the Israelites in the desert at one point or another? God has parted our Red Sea in some way. He's led us out of some great trial, given us some great blessings. But then we run into a little resistance somewhere along the way and we throw up our hands. How could you do this to us, Lord? How could you ask this of us? No, I can't go any further. No, I won't do any more.

Persisting in the blindness to the many ways God continues to protect us is nothing short of a temper tantrum. It robs our Everyday Stewardship of its graciousness, of our ability to accept with joy the trials of life because we are also constantly aware of its blessings.

— Tracy Earl Welliver, MTS
