# OUR PARISH

## *Food for eternal life*

Jesus tells the crowd that He is the Bread that the Father sent to give life to the world. He is the Bread of Life that gives us eternal life. By believing in Him we are fed to accomplish the works of God. That is we receive eternal life which is more than going to Heaven after this life on earth. The eternal life that Jesus gives us is the life of God free from sin and death, a life of love and joy. That means that, without Jesus, we may exist, but do not live true life. It is through Him that we truly live the life of God here on earth and a life that lasts forever.

## SAVE THE DATES!

*A Community Gathering - August 24 -26*

We are called to live in communion:

“Man becomes the image of God not so much in the moment of solitude as in the moment of communion. He is, in fact, right ‘from the beginning’... essentially an image of an inscrutable divine communion of persons.” Theology of the Body, St. John Paul II

“Neither does community happen by accident, not even easily. And in large churches, set in sprawling suburbs, it’s not going to happen at all unless it’s a deliberate exercise.” Rebuilt: The Story of A Catholic Parish, Michael White and Tim Corcoran

Accordingly, the OLA Pastoral Council and Youth Ministry invite all parishioners to join us for “A Community Gathering” that focuses on liturgy, prayer, and practical sessions for responding to every day challenges.

On Friday evening, August 24<sup>th</sup>, from 7:00 – 9:00 pm we will feature Exposition of the Blessed Sacrament, Benediction, Mass, and Directed Meditation in the church.

On Saturday afternoon, August 25<sup>th</sup>, from 1:00 – 4:30 pm we will feature three break-out sessions, from noted Catholic experts on the following topics: “Christ-Centered Personal and Family Relationships,” “Evangelizing Youth: Keeping them Inspired,” and “The Sacraments, Twelve Steps, and Recovery from Addiction.” All the sessions will be in St. John’s Hall. We will then attend Mass at 5:00 pm. After Mass, our Music Director Casey Oliver and members of the OLA choir will lead us in singing “Praise and Worship” songs.

At the Sunday 11:00 a.m. Mass, Father Eduino will celebrate and commission the Life Teen Mass. After Mass, all are invited to “Lunch with Youth” in St. John’s Hall. RSVP requested please.

We hope you are able to attend all the “Community Gathering” events. However, if time does not allow, we encourage you to attend as many as possible.

Stay tuned, more information to follow!

# FULFILLING THE PROMISE

OUR LADY OF THE ASSUMPTION

## **\*\*Campaign Update\*\*** **August 4-5, 2018**

Even though it may seem like the campaign went into “hibernation” over the summer, much work is being done behind the scenes to prepare for a strong push at the end of summer as families come back from vacation and students return to school. Here are some of the developments of the past two months:

**Plan Design:** The design had to be modified to account for the fact that there is an evolving standard in the size of PAL gyms. Most of the new PAL gyms are now 84’ X 50’, which also happens to be the smallest size gym which could also be used for high school athletics. Our architect Duane Johnson, re-designed the building to make the gym floor a little bigger and some of the surrounding rooms a little smaller. If you want to see the modified diagram, it can be found on the Parish website.

**Fundraising:** Pledges continue to come in and we are grateful for everyone who has turned in a pledge card. If you add up the cash pledges, plus a few in-kind pledges, we are at approximately \$4 Million pledged. The Campaign is for \$6.5 Million. Our trigger point (the point at which we can begin construction) is \$5.75 Million.

**Timeline:** By the end of this month, you will see campaign activity pickup. The campaign to build a new Pre-school, Parish Hall, and Youth Center will become the focal point for the Parish and School. This will all culminate with “Pledge Weekend” in late October, with a goal to have all Parish families and School families submit a pledge card. At the same time, final civil engineering drawings are being done now and we will be applying to the County for a Conditional Use Permit before the end of August. If all goes well with permitting, and if we get to at least our “trigger point” (\$5.75MM) by the end of October, we would begin construction in the Spring of 2019. The Hall/Preschool would be built first, followed by the renovation of the current hall and reconfiguring of the parking lots.

If you have questions about the Campaign, please call Kelly Brothers at 916-716-6820. If you would like to receive a pledge card, please email [capitalcampaign@olaparish.net](mailto:capitalcampaign@olaparish.net). Make your pledge in support of OLA today!

### ***Family Connection***

**Theme:** Jesus is the Bread of Life

#### **Breaking Open the Word**

Suggested text for faith sharing: Today’s Gospel

#### **Step One: Listen to the Word**

As you hear this familiar story read to you again today, what words or phrases strike you? What image from this story lingers in your mind’s eye?

#### **Step Two: Look into Your Life**

**Question for Children:** Why is Jesus compared to bread? How can his teachings be like food?

**Question for Youth:** Jesus is the bread that gives us life. How does believing in Jesus make your life different?

**Question for Adults:** How do you partake of the nourishment that Jesus provides? How often?

*"Each day the people are to go out and gather their daily portion; thus will I test them, to see whether they follow my instructions or not." EXODUS 16:4*

When the Israelites gathered more than their daily portion of manna, the surplus became wormy and rotten. In the same way today, self-reliance, pride and ego leads to hoarding and excessive surplus of goods and money. Living a stewardship lifestyle helps us discern our "wants" from our "needs". Living a generous lifestyle reminds us that God will provide all that we need and that we have plenty to share.

## Church in Latin America Collection - August 11/12

Next week, we will take up the Collection for the Church in Latin America. For many in Latin America and Caribbean, rural terrain and a lack of ministers are obstacles to practicing their faith. Your support to the collection provides lay leadership training, catechesis, priestly and

religious formation, as well as other programs to help share our faith with those who long to hear the Good News of Christ.

## Edith Stein – St. Teresa Benedicta of the Cross

August 9

**E**dith Stein was born in Breslau on October 12, 1891, as her family was celebrating Yom Kippur, the most important Jewish festival, the Feast of Atonement. As a teenager, she renounced her family's faith and became an atheist.

A lifelong seeker of truth, she subjected every idea to fierce intellectual scrutiny and as a university student she studied psychology and philosophical phenomenology. One of her professors introduced Edith to contemporary Catholic philosophy and this began the process of conversion that led to her baptism in 1922. Inspired by the life of St. Teresa of Avila, Edith eventually joined the Discalced Carmelites in Cologne, Germany, receiving the religious name "Teresa Benedicta of the Cross."

As a person of Jewish ancestry, she was subject to the Nazis' anti-Jewish policies and she fled to the Netherlands in order to protect the members of her community in Germany. It was there that she wrote her major work, *The Science of the Cross*.

In 1942, Sister Teresa Benedicta was arrested and deported to the concentration camp at Auschwitz where she was killed in the gas chambers on August 9.

Stein often urged women to look to their own mothers for insight into what it means to be a woman. Her own essays on women owe much to the example of her mother, and it is clear that she felt a deep love and friendship for her throughout her life. Stein encouraged every woman to seek to live out in her own life and circumstances the ideal of true womanhood. This means especially exercising that maternal vocation, which is given primarily to women, and which holds little in the way of glamour or attraction for many women today.

The work of a mother is hidden for the most part, and even its rewards are intangible. This is exactly why Edith Stein looked to women to preserve within human society, those spiritual values that cannot be measured. In one of her letters, Stein wrote: *"On the question of relating to our fellowman our neighbors spiritual need transcends every commandment. Everything else we do is a means to an end. But love is an end already, since God is love."*

Saint Teresa Benedicta of the Cross has been heralded as a model of virtue, self-denial, and heroism for both Jews and Christians and was canonized in 1998.
