## 19<sup>TH</sup> SUNDAY IN ORDINARY TIME

"I am the bread of life. Your ancestors ate the manna in the desert, but they died; this is the bread that comes down from heaven so that one may eat it and not die."  
- Jn 6:48-50

## OUR MISSION STATEMENT

The Mission of the parish community at Our Lady of the Assumption Church is to proclaim the Word of God more fully, to gain a more intimate knowledge of God through our Catholic traditions, and to serve the people of God, especially in our efforts to meet the needs of the poor in our community, and when possible around the world. We strive to build a sense of community among our parishioners, with the entire family of God.

## GOSPEL MEDITATION

August 8, 2021

19th Sunday in Ordinary Time

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable. But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things.

Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special. The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history.

## WE WELCOME YOU HOME

Thank you for joining us today! We welcome you to our faith family and look forward to growing in faith and friendship with you. If you are interested in formally joining our parish community and/or the Catholic Faith, you can do so on-line or by coming in to the parish office. If you are returning to an active Catholic life, we are happy to facilitate a smooth and joy filled transition. May you find fellowship, peace and serenity in our community. Sincerely in Christ, Fr. Eduino, Pastor.

Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal.

Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

## STEWARDSHIP

August 8, 2021 Stewardship Joy

19th Sunday in Ordinary Time

"Get up and eat or the journey will be too much for you!" 1 Kings 19:7

God knows that committing to a Stewardship lifestyle is difficult. However, we were not designed to do it on our own, we need His help. Fortunately, God gave us the greatest gift of all, His son, Jesus. Through the gift of the Eucharist, we join our sacrifice with the sacrifice of the Holy Mass and receive the strength and courage to be His joyful disciples.

Please spread the word that the OLA Food Locker is back! A special thanks goes out to **Dylan Charamuga** who, for his Eagle Scout project, refurbished all 105 food locker shelves and to Boy Scout Troop 328 and Cub Scout Pack 225 for conducting a food drive that collected over 3000 items to replenish our inventory as we reopened.

We have been very blessed!

## QUESTION OF THE WEEK

### Jesus the Living Bread

Breaking Open the Word

Suggested text for faith sharing: Today's Gospel

Step One: Listen to the Word

As you hear this reading, what words or phrases strike you? How do these words of Jesus touch your heart? What single line remains in your memory?

Step Two: Look into Your Life

Question for Children: Name one way that your faith nourishes you? How does it help your life?

Question for Youth: Bread nourishes us physically, and Jesus as the living bread nourishes spiritually. How can you be more open to Jesus and the ways that he can feed you?

Question for Adults: What nourishes your life? What does the phrase "living bread" mean for you?

## LIVE THE LITURGY

Are we willing to be taught by God? If

we are, then we will begin to see things and make judgments using a Divine lens. Often, we perceive things with purely human eyes and reference points. When we do this, reality can lose its Divine spark and we miss what God is trying to say. When using human eyes exclusively, Jesus is at best perceived simply as a prophet who has some wise things to say. The human element has a difficult time seeing Jesus' divinity and recognizing him as the Bread of Life that comes down from heaven. We can easily get stuck on Jesus' human associations and overlook the marvelous wonders God wants us to see. If we really allow ourselves to be taught by God, we will then come to see the truth about Jesus and the abundant everlasting life God offers. Jesus becomes the key that unlocks all of our relationships: with God, others, ourselves, and creation. He, as the true and lasting bread from heaven, shows us the gifts of faith, hope, and love that God bestows on us. Through this divine lens we see that all life sparkles and glows with God's love.

©LPi

This rings true spiritually, too. We simply must remain fed if we, in turn, are to feed others. Think of a time when you have neglected your relationship with God — when you haven't fed yourself with whatever it is that you need to remain committed to the journey of a Christian life.

Is it Mass attendance? Is it prayer or Scripture reading? Is it time with your small group, or conversation with a trusted friend who knows your soul? What sustains your ability to be a good disciple, a good steward? What inspires you to give more freely, to love more abundantly?

Whatever it is, that's your hearth cake. That's your jug of water. Don't neglect it. The Angel of the Lord is nudging you in your sleep: "Get up and eat, or the journey will be too much for you."

## EVERYDAY STEWARDSHIP

### RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

What's Your Hearth Cake?

"Get up and eat, or the journey will be too much for you." I've been to a lot of meetings in my years of work in the Church, and you can take my word for it: the ones with snacks just seem to go better.

I don't know what it is exactly. Maybe it's just that people are in a more agreeable mood if you show up with donuts. Or maybe it's about the very real sense of community and camaraderie that is created at a table where people are engaging in that most human of tasks — eating — beside one another. I think a big part of it comes down to the simple fact that we're all just nicer people when we're fed.
