## GOSPEL REFLECTION

### Thirsting for God's Love

Many people in our world are hungry and thirsty. This hunger and thirst go well beyond physical needs for food, security, and shelter. Many are emotionally and spiritually parched, too. Behind every act of violence is a soul who hungers. People live with relationships that actually starve them. They are abused, exploited, disrespected, laughed at, and marginalized. There is a lot of confusion and inner pain that needs to be acknowledged and expressed. We all long to be understood and loved, even when our inner demons or who I am make it difficult to be. Do you live with inner confusion and pain? Folks often wander through life without any real direction or purpose and take their cues from what seems satisfying or popular at the moment. The deeper dots of our lives can easily remain unconnected, and we can find ourselves without grounding, purpose, or real happiness. Life becomes shallow and without real purpose as we hunger and thirst for an ultimate love.

It's easier to see the physical hungers and thirsts. We try to respond to these as best we can. Much more needs to be done. With all that God's earth can provide, nobody ought to face sleep at night with a belly that's empty. It's sinful. It's unjust. But isn't all hunger unjust? It doesn't need to be, and it should not be. Just as no one ought to be physically hungry and thirsty, there is really no need to be emotionally or spiritually deficient either. If we have more privileges at our fingertips, it is easier to try to satisfy our emotional and spiritual hungers and thirst by acting on impulse or self-indulgence, carelessly following passions, or by seeking self-destructive ways to dull the ache of emptiness.

Folks need to know where to look for nourishment and need the right friends to help them find it. We may not think that we have enough to respond to and to satisfy all of the needs, but we do. It doesn't take much. Five loaves and two fish provided for a huge crowd. With God, all things are possible. Our faith provides the direction for where God's children must go to find the nourishment they seek. It also tells us how to structure life so that justice and equity can be a reality for all. It also tells us how to respond to pain, sinfulness, and confusion. Come to the water and then help another get there.

To learn more about how your gifts make a difference, visit [www.usccb.org/latin-america](http://www.usccb.org/latin-america).

## STEWARDSHIP THOUGHTS

### AUGUST 2, 2020 STEWARDSHIP MULTIPLIES 18<sup>th</sup> Sunday in Ordinary Time

*"Jesus said to them, 'There is no need for them to go away; give them some food yourselves.'"* - MATTHEW 14:16

This is what Jesus said right before he fed the five thousand men. How often do we really place our trust in Jesus when the situation looks grim? With Jesus, gifts of **Stewardship** are never too small or insignificant when offered with love. But, we have to do our part. We should trust that Jesus will provide all that we need. We need to believe that Jesus has a better plan in store for us.

## EVERYDAY STEWARDSHIP

### RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

#### The Power of a Simple Action

I remember seeing a story on a morning news program about a little girl who wanted to give an elderly man in a grocery store a hug. She had no way of knowing that this man had just lost his wife of many years and now felt so very alone and depressed. Her reaching out to the man seemed odd to her mom at first, but the girl was so insistent about giving a hug she moved the shopping carts close together so the exchange could take place. No one knew that from that moment on the little girl would ask to visit her new friend at least once a week for the next four years until he passed away. In an interview soon after the initial encounter, the man said, "I haven't been this happy in some time." Imagine the joy that relationship brought to them both over the years!

It was just a moment. It was a simple gesture. Yet, it had a large impact that no one could have predicted. You never know what will result when we give just a little of ourselves. That uncertainty too often leads us to hold back or refrain from the simple actions of love or gestures of generosity that could come so easily for us if we wanted. We should never doubt the power of a simple random act of kindness. Generosity does not need to be grand to make a big difference. The time is now, and the opportunity presents itself often to plant a small seed that God can water and nourish so that something beautiful can grow.

# SPIRITUAL GROWTH

## THE IMMACULATE HEART OF MARY

**REMEMBER**  
*in your prayers*

### CELEBRATING MARY IN THE MONTH OF AUGUST

If asked to list Marian feast days in August, most Catholics would respond with only "the Assumption."

If asked what other Marian feast days are in August, most Catholics would go blank. That is probably because the Assumption of the Blessed Virgin Mary is a holy day of obligation in the United States, and so our attention is drawn to it because we are required to go to Mass that day.

But there are other feast days of Mary throughout the month that we don't want to overlook.

Special days honoring Mary have been part of Catholic Tradition since the end of the first century.

Frescos of Mary both with and without Christ are found in the Roman catacombs.

Since that time, devotion to Mary has grown to include holy days we customarily observe during the liturgical year. Marian feasts come under the doctrine of the Communion of Saints, in which we are called to honor those who have been raised up to perfection.

Mary's role is primary to that of the saints, and so the Church assigns feasts in her honor to emphasize her role in salvation history.

The Marian feasts in August give us glimpses into the life of Mary and her role as Mother of God and Mediatrix of graces.

There are many ways to commemorate Mary's feasts — from attending Mass, to making a holy hour or just saying an extra Rosary. We may even want to celebrate with a special dinner or desert.

**2020 CENSUS: BE COUNTED!**

The U.S. Bishops have called for all to be counted, as society "cannot risk missing this opportunity to give children and parents the tools they need to succeed." Unfortunately, the census has too often undercounted households with young children; with higher rates of poverty, unemployment, or low educational attainment; with racial minorities; and with English as a second language, which leads to underfunding critical programs and services. Make sure you are counted by responding before October 31st.
