Jesus was not impressed by those who call attention to themselves

In the Gospel today Jesus tells the crowds to be aware of those who like to call attention to themselves, who like places of honor and devour houses of widows. He is rather impressed with a widow who gave to the temple treasury all she had, quietly and out of faith. God is attentive to widows and orphans. He is their defender and protector. What Jesus is teaching is that God wants us to come to the aid of widows and not take from them the little that they have.

They offer CDs (and many other things) for purchase to help enhance our faith. We are blessed at OLA to have two kiosks (by the front doors and by the eastern doors) displaying many awesome audio CDs. They are available for purchase for only \$3! The kiosks are secure. You can also check out the books that Lighthouse Catholic Media offers at lighthousecatholicmedia.com.

Thank you for your support of this faith outreach!

Holy Father Pope Francis Teachings

This Sunday's Gospel passage is composed of two parts: one that describes *how not to be* followers of Christ; the other offers *an example of a Christian*.

Let's start with the first: what not to do. In the first part, Jesus accuses the scribes, the teachers of the law, of having three defects in their lifestyle: pride, greed and hypocrisy. They like "to have salutations in the market places and the best seats in the synagogues and the places of honor at feasts" (Mk 12:38-39). But beneath such solemn appearances they are hiding falsehood and injustice.

While flaunting themselves in public, they use their authority — as Jesus says — to devour "the houses of widows" (cf. v. 40); those who, along with orphans and foreigners, were considered to be the people most vulnerable and least protected. Lastly, Jesus says that the scribes, "for a pretence make long prayers" (v. 40). Even today we risk taking on these attitudes. For example, when prayer is separate from justice so that God cannot be worshiped and causing harm to the poor. Or when one claims to love God, but instead offers him only grandiosity for one's own advantage.

The second part of the Gospel follows this line of thinking. The scene is set in the temple of Jerusalem, precisely in the place where people are tossing coins as offerings. There are many rich people putting in large sums, and there is a poor woman, a widow, who contributes only two bits, two small coins. Jesus observes the woman carefully and calls the disciples' attention to the sharp contrast of the scene.

The wealthy contributed with great ostentation what for them was superfluous, while the widow, Jesus says, "put in everything she had, her whole living" (v. 44). For this reason, Jesus says, she gave the most of all. Because of her extreme poverty, she could have offered a single coin to the temple and kept the other for herself. But she did not want to give just half to God; she divested herself of everything. In her poverty she understood that in having God, she had everything; she felt completely loved by him and in turn loved him completely. What a beautiful example this little old woman offers us!

Today Jesus also tells us that the benchmark is not quantity but fullness. There is a difference between quantity and fullness. You can have a lot of money and still be empty. There is no fullness in your heart. This week, think about the difference there is between quantity and fullness. It is not a matter of the wallet, but of the heart. There is a difference between the wallet and the heart.... There are diseases of the heart, which reduce the heart to the wallet.... This is not good! To love God "with all your heart" means to trust in him, in his providence, and to serve him in the poorest brothers and sisters without expecting anything in return.

Faced with the needs of our neighbors, we are called to deprive ourselves of essential things, not only the superfluous; we are called to give the time that is necessary, not only what is extra; we are called to give immediately and unconditionally some of our talent, not after using it for our own purposes or for our own group.

Let us ask the Lord to admit us to the school of this poor widow, whom Jesus places in the cathedra and presents as a teacher of the living Gospel even to the astonishment of the disciples. Through the intercession of Mary, the poor woman who gave her entire life to God for us, let us ask for a heart that is poor, but rich in glad and freely given generosity.

Questions of the Week

Theme: We must give to God until we have given enough.

Breaking Open the Word

Suggested text for faith sharing: Today's Gospel, the short form

Step One: Listen to the Word

What image lingers for you from this reading? What single word or idea struck you in it?

Step Two: Look into Your Life

Question for Children: What part of your own possessions are you called on to share?

Question for Youth: When you think of your own life, do you consider yourself to be rich or poor? How do you spend your money? Is there anything you should be doing differently?

Question for Adults: When do you know that you have given away enough?

Something to think and pray about this week

In a way, it is we who have to make the Gospels meaningful, because their meaning is not meant to be contained in the covers of a book, however well read. The Scriptures function fully as revelation when we reveal the love of Christ in what we say and do. The Bible, without readers who love, is just a book on the shelf.

The Scriptures testify to a love called for whether we're simply passing strangers on the sidewalk, living next to neighbors, attending to the needs of a friend, or involved in an ugly dispute with someone we passionately dislike. The span of time, whether seven seconds or seventy times seven years, makes no difference. Love is eternal; it is unconstrained by time.

Jesus gets right to the point – we are all called to give money to support the mission of the Church, regardless of our circumstance. No gift is too small or insignificant! Giving money to support the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your "first fruits" or from what is "left over"?

Saint Frances Xavier Cabrini ***Feast Day: November 13***

Frances Xavier Cabrini was the first United States citizen to be canonized. Her deep trust in the loving care of her God gave her the strength to be a valiant woman doing the work of Christ.

Refused admission to the religious order which had educated her to be a teacher, she began charitable work at the House of Providence Orphanage in Cadogno, Italy. In September 1877, she made her vows there and took the religious habit.

When the bishop closed the orphanage in 1880, he named Frances prioress of the *Missionary Sisters of the Sacred Heart*. Seven young women from the orphanage joined her.

Since her early childhood in Italy, Frances had wanted to be a missionary in China but, at the urging of Pope Leo XIII, Frances went west instead of east. She traveled with six sisters to New York City to work with the thousands of Italian immigrants living there.

She found disappointment and difficulties with every step. When she arrived in New York, the house intended to be her first orphanage in the United States was not available. The archbishop advised her to return to Italy. But Frances, truly a valiant woman, departed from the archbishop's residence all the more determined to establish that orphanage. And she did.

In 35 years, Frances Xavier Cabrini founded 67 institutions dedicated to caring for the poor, the abandoned, the uneducated and the sick. Seeing great need among Italian immigrants who were losing their faith, she organized schools and adult education classes.
