## GOSPEL MEDITATION

### Fifth Sunday in Ordinary Time

I recently decided to learn to cook. As I sit at the feet of various YouTube cooking masters, I notice how much of cooking is adding ingredients that don't provide any more nourishment, like herbs and other seasonings. But man! They make all the difference because they make the meal delightful to eat and share.

Jesus calls his disciples "salt of the world." No one eats just salt. So, Christians are not meant to replace or do away with the world. They are meant to be agents of preservation and glorification. Notice how often these days the Church seeks to preserve what is threatened: the goodness of marital and family love, the desires of young people for greatness, the value of honest work, healthy economics, and altruistic political engagement, the dignity of the poor and vulnerable. Over and over, we say to a world who wants to throw things out, "It's worth saving! We'll preserve it! We'll show you it's wonderful." If we can't engage the world like that, Jesus says we are the ones who get thrown out, because salt alone is worthless.

Jesus only asks us to do for others what he does for us. He is the "salt" of everything in our lives. Is there something in your life starting to rot a bit? Something tasting bland and boring? Let Jesus salt it and see if you like it better.

## Shepherds Field Olive Wood Handcrafts

**A group from the Holy Land (Bethlehem and Jerusalem) will be selling religious articles after Masses the weekend of February 18-19 to support the Catholic Christian minorities in Bethlehem.** As a tradition, many of the Catholic families in the Holy Land work to produce religious articles from olive wood. Sales will be used to help support these families.

**Come together in the charity of Christ to restore dignity and hope to others.**

*25% comes back to our parish for our own outreach to those in need.*

**On the weekend of February 18, we will have the opportunity to accompany those who are suffering through the Annual Catholic Appeal.**

Each of our gifts, no matter the amount, makes a difference in someone's life. Catholic Charities can respond to the greatest needs in our communities. Seminarians receive support as they prepare to serve our local parishes. Catholic schools in economically-challenged neighborhoods can provide tuition assistance. And our St. Vincent de Paul ministry receives support for another year.

*Prayerfully consider what you can give this year.*
