GOSPEL MEDITATION

5th Sunday in Ordinary Time Luke 5:1-11

My parents' garage is full of old junk that no longer serves any purpose in my life. As a 46-year-old man, I admit that's pretty lame. Either due to my sentimentality or laziness (or both, probably), I just couldn't get myself to throw things away. But a few days ago, by a grace of God, I thought: "I'll hire my nephew Ryan to throw a bunch of my stuff away – he couldn't care less about my junk!" And you know what? It worked. In one day, Ryan chucked the majority of his uncle's useless stuff. I feel so free, ready for a new junk-free chapter in my life.

This kind of thing happens in this Sunday's Gospel. Peter's net is full of useless junk. Luke says he and the others are cleaning their nets after catching no fish. Imagine them dejectedly and impatiently removing a nasty assortment of seaweed, sticks and muck. The Lord teaches and calls them once their nets are cleared out. So it goes with us. Spiritual life begins by removing that which is useless and merely taking up space in our hearts, minds and lives. Then Jesus teaches and acts in a marvelous way in our lives, too.

So what's junking up your net? What habits, attachments, possessions, preoccupations? If, like me, you struggle to clean your nets by yourself, ask the Lord to send you someone like my nephew to be your "Peter" and help you clean it out. It is well worth it. Once Peter's net is clean, he is free to make a wonderful catch. — Father John Muir ©LPI

For those in our community who have passed away...

All Souls

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of all the faithful departed, through the mercy of God, rest in peace.

Amen.

PARISH AND SCHOOL NEWS

"Touch of Italy" Pasta Dinner Recap

Thank you to the almost 300 people who were able to join us in celebrating the 10th anniversary of our "Touch of Italy" Pasta Dinner and OLA's 75th Jubilee Year! During the dinner, we honored and remembered Gino Bertolucci, who was an integral part of our parish and school history.

Fr. Eduino and Bob Cesario greeted everyone to begin the dinner, and the servers lined up to feed everyone. The bartenders and kitchen volunteers kept busy all night!

We thank Bob Cesario, the Social Committee, and our hard-working volunteers. The food was delicious, the entertainment joyful, and the companionship outstanding!

Eagle Scout Project Update

Thank you to everyone who donated towards the project! The turf and benches have been installed, and the lattice will be up by the time this is printed. I would like to thank Eddie Mullins Landscaping for their excellent work on the project. The Boy Scouts will be working on the flower beds, planting roses, and installing the bench plaques during the next month. It is really turning out great, and I thank you for all of your support! - John Rockenstein

Buildings & Grounds: CALOES Grants

You may have noticed new fencing between the church and the rectory complex and between St. John's Hall and the rectory complex. We were able to accomplish this along with other projects through grants from CalOES (California Office of Emergency Services). We initially received two \$200,000 grants – one for the parish, and one for our school.

Through these grants, we were able to:

- Apply ballistic security film to numerous windows and glass doors in both the school and the church facilities.
- Added a key card door locking system for the school's classrooms and our halls and other facilities on the church campus.
- Increased lighting for security on the school and parish grounds.
- Fencing and gates to provide additional security for the church and rectory areas.
- Enhancing the radio communications between school personnel.
- Upgrading the public address system in the school's classrooms.

We were not able to complete some of the projects approved under the grants by December 31, 2024. Numerous circumstances played to our inability to accomplish all of our projects before the deadline, such as permitting issues and increased costs beyond our approved project budgets. The completed projects and final costs are \$164,800 for the parish and \$112,050 for the school for a total of \$276,852 of enhancements to our facilities and grounds. We will continue to apply for grants and other special funding to keep on improving our parish buildings and grounds.

In closing, we would like to thank Elisabeth Gustorf, John Haskell, Robert Love, and John Blaschke for their efforts in completing the projects. **If you have any questions, please contact Deacon Michael Tateishi at 916-486-9485 or by email at deacon@olaparish.net.**
